

Aerospace Department Association Meeting Minutes
January 15, 2002
AIAA Aerospace Sciences Meeting

Dinner was served at 6:30pm and Prof. Smits began the meeting.

1. Attendees went around the table and introduced themselves. The list of attendees follows.
2. Minutes of the 2001 meeting prepared by Prof. Grossman were distributed and approved.
3. Treasurer's report: \$1382.81 remains in an AIAA account. A suggestion that the funds be used to purchase wine at future ADCA meetings was met with general agreement but no formal vote was taken.
4. Professor Michael Bragg <http://www.aae.uiuc.edu/Profs/Bragg.html> accepted the nomination to become the next ADCA Secretary/Treasurer.
5. Professor Dennis McLaughlin presented the enrollment report, and he handed out copies to the attendees. There was some general discussion about determining how many aerospace engineering graduates are needed each year.
6. Dr. Robert Starr of the NASA Langley Center for Distance Learning gave a presentation featuring several websites:
 - <http://ksnn.larc.nasa.gov/>
 - <http://scifiles.larc.nasa.gov/>
 - <http://connect.larc.nasa.gov/>
 - http://destination.larc.nasa.gov/index_exp.html For DVDs with copies of the shows, send e-mail.
 - <http://live.larc.nasa.gov/site.html> NASA Langley provides videoconferences for student learning opportunities and will custom design for university's needs.
7. Prof. Sheila Widnall presented the AIAA Strategic Plan: Changing Face of Aerospace. The presentation (attached) generated much discussion on defining systems engineering and noting that aerospace engineers are systems engineers. There was discussion indicating that not all attendees agreed.
8. The AIAA VP for Education could not attend.
9. Stephen Brock, Member Liaison for AIAA and Director of Student Programs <http://www.aiaa.org/education/index.hfm?edu=0> gave an overview.
10. Other business
 - John LaGraff-ABET-Chair of AIAA Academic Affairs Committee noted for information that this committee recommends ABET aerospace criteria as well as recruit and train ABET visitors
 - Dr. Dolores S. Krausche will work on a database for aerospace engineering education and is open to suggestions for information to be compiled
 - ADCA's next meeting will be scheduled during the summer ASEE Meeting in Montreal
 - There was offline discussion requesting that AIAA waive the registration fee at one meeting per year for AIAA Student Chapter Advisors
 - No new business
